E. P. Noe, Esq.
American Numismatic Society
New York City

My dear Mr. Noe:

I am taking the liberty of sending you literature with regard to the aims and purposes of the China Society, as I understood from you that a gentleman with whom you are acquainted wished to know something of the lines upon which we are working. I think perhaps the enclosed would be of interest to him.

Until I hear from you in the negative, I shall continue to hope that matters may be so arranged that I can be of service to the American Numismatic Society. While it would prove an entirely new field to me, I feel sure I could adapt myself quickly to the work and am very anxious indeed to become associated with it.

Sincerely hoping I may receive a favorable letter from you, and appreciating your courtesy of this morning,

Very truly yours,

Violet Earle
